Getting patients started

Novartis Patient Support will work with your practice to help your patient start on COSENTYX® (secukinumab). Begin the process by completing the Start Form. We have outlined the key information below to help ensure a smoother process for your office and your patient.

All REQUIRED fields must be filled out for the Start Form to be processed as complete. An incomplete Start Form may delay the start of treatment.

Please note that providers, along with their patients, can complete the Start Form online at the CoverMyMeds® portal or by faxing the completed Start Form to the number listed.

This Start Form is specifically for the IV formulation of COSENTYX. There is a separate Start Form for the subcutaneous formulation.

Look for this symbol as you fill out the Start Form. It indicates a required field.

Indicate the type of support necessary for your patient here.

Get patient and/or authorized representative consent.

Patients can check this box to sign up for the Co-Pay Plus offer.

Don't forget your patient's insurance information. We need to verify all their benefits.

Please **do not fax patient medical records** as any that are shared will be destroyed.

Patient Authorization. I authorize my healthcare providers, pharmacies and health insurers, and their service providers (“Providers”) to disclose information relating to my insurance benefits, medical condition, treatment, and prescription details (“Personal Information”) to Novartis Pharmaceuticals Corporation, its affiliates and service providers (“Novartis”) and the Novartis Patient Assistance Foundation, Inc., and its service providers (“NPAF”) so they can provide the following support services (the “Services”):

- Help coordinate insurance coverage for, access to, and receipt of my medication.
- Communicate with me about possible financial assistance, including Novartis copay or NPAF programs, and, if I am enrolled, administer my participation in those programs.
- Communicate with me about my medication and treatment, including reminders, health and lifestyle tips, and product and other related information. Communications may be customized based on Personal Information obtained from my Providers.
- Conduct quality assurance and other internal business activities and ask for feedback related to the Services or my treatment.

In delivering the Services, Novartis and NPAF may share my Personal Information with each other, with my Providers, or with government agencies or other financial assistance programs that might help me pay for my medication. They may combine information collected from me with information collected from other sources and use that information to administer the Services. My pharmacies or other healthcare providers may receive payment from Novartis or NPAF for providing certain Services, such as medication or refill reminders, based on my enrollment or participation. Once I authorize disclosure of my Personal Information, it may no longer be protected by federal health privacy law and applicable state laws.

I understand I do not have to sign this Authorization to get my medication or insurance coverage, that I have a right to a copy, and can cancel this Authorization at any time by calling 844-267-3689 or by writing to:

Novartis Patient Support
Novartis Pharmaceuticals Corporation
One Health Plaza
East Hanover, NJ 07936-1080

This Authorization will expire 5 years after I sign it, or earlier if required by state law, unless I cancel it sooner. For Maryland healthcare providers, this authorization expires 1 year from the date of signature. If I cancel it, I may no longer qualify for Services from Novartis or NPAF, but it will not impact my Provider’s treatment or my insurance benefits. I also understand that if a Provider is disclosing my Personal Information to Novartis or NPAF on an authorized, ongoing basis, my cancellation will be effective with respect to that Provider as soon as they receive notice of my cancellation. Cancellation will not affect prior uses or disclosures.

Please see full Novartis Pharmaceuticals Corporation [Privacy Policy](#) and the [Mobile Terms of Use](#).

*Novartis Patient Support may call and text you at the numbers provided for non-marketing purposes (eg, to help you access and start on COSENTYX). Calls may be autodialed or prerecorded. Message and data rates may apply. You may change your communication preferences at any time by calling 844-267-3689.

***Co-Pay Plus Terms & Conditions.** Offer valid only when used with commercial health insurance. Offer is not available where:

- the patient has federal or state health plan benefits (eg, Medicare, Medicaid, TRICARE, VA);
- the health plan reimburses for the entire cost of the drug;
- the health plan provides no coverage for the drug; or
- prohibited by law.

The amount of funding available from the Program is subject to an annual limit. Novartis reserves the right to discontinue the availability of co-pay assistance if, at any time, Novartis determines that the patient is subject to a co-pay maximizer program. Co-pay maximizers are programs implemented by health plans in which the amount of the patient’s out-of-pocket cost is increased to reflect the availability of support offered by a manufacturer assistance program. The patient is responsible for all costs once available funding from the Program is exhausted.

The Program is designed exclusively for the benefit of the patient. The amount of available funding may be reduced or eliminated if it is not credited by the patient’s health plan toward the patient’s out-of-pocket obligations (eg, deductibles, annual out-of-pocket maximums). Program funding may also be reduced or eliminated if the patient’s health plan, directly or indirectly, adjusts, reduces, or waives the patient’s health plan benefits based on the availability of, or the patient’s enrollment in, the Program, or otherwise acts in a manner that materially affects these Terms and Conditions.

Only the patient or their legal guardian or caregiver may enroll the patient in the Program. Health plans, specialty pharmacies, pharmacy benefit managers, and their agents and representatives (individually and collectively “Plan Administrators”), are prohibited from enrolling patients in the Program.

Patients in the Program are responsible for notifying Novartis of any change in their prescription drug health plan coverage that may conflict or otherwise affect compliance with these Terms and Conditions. By accepting Program funding from Novartis on behalf of participating patients, Plan Administrators agree to not take any action that materially affects compliance with these Terms and Conditions.

Patients may not seek reimbursement for the value received from the Program from any other party (eg, health plans, flexible spending or healthcare savings accounts). Patients are responsible for complying with any applicable limitations and requirements of their health plan related to their use of the Program.

Valid only in the United States and Puerto Rico. Co-pay support for infusion administration cost not available in Rhode Island or Massachusetts.

The Program is not health insurance, and may not be combined with any third-party rebate, coupon, or offer. Novartis reserves the right to rescind, revoke, or amend the Program at any time without notice.
