

What is the LEQVIO® Co-pay Program?

If you have commercial insurance, you may be eligible for the LEQVIO Co-pay Program, where you may pay as little as \$0 for each treatment. Subject to a per treatment benefit maximum of \$3,000 and an annual benefit limit of \$3,600. Limitations apply. See full terms and conditions on the bottom of the next page.*

You are eligible if you receive insurance benefits from a commercial insurance plan that you pay for yourself or get through your employer. This is also known as private insurance. You are not eligible if you receive any insurance benefits for LEQVIO from a government-sponsored plan.
